

Mighty Mini

Standard Features

- All aluminum, steel or aluminum/steel construction
- Solid sides (optional fold-down sides—see below)
- Top and bottom hinged tailgate with spreader and horizontal hold chains
- 9" trapezoidal long sills for ultimate strength and optimum clearance or 4" sub frame and 5" long sills
- Unibody design – no subframe/cross members – cleaner, less chance of corrosion
- All outside edges sloped so product does not catch
- Integrated pull tarp hooks at rear
- **Bolt-on hoist mounts and rear hinge for easy mounting**
- Integrated safety prop on underbody and front post hoist
- Side board brackets
- See-through bulkhead
- Front manual lever for gate latch with secondary lock
- Standard floor length – 9'
- Standard side wall heights – 20"
- Standard tail gate height – 28"
- Standard width – 96" (8')
- Bottom of long sills to top of bulkhead – 48" (4')
- LED lights with sealed grote wiring harness to meet DOT requirements

Example of custom design including front post hoist and fold down sides, tool holders, fold down steps and other options.
